7 WASH PROGRAMS

The EDS14SX dishwasher provides you with the choice of 7 different wash programs to ensure you select the best type of wash to suit your lifestyle.

NEW WATER INLET & FILTER SYSTEM

This latest design has an internal water inlet system to prevent leaking water to the floor. Compared to other models, this dishwasher has a larger filter that collects and disperses dirty water much quicker, and also minimizes filter blockages.

DUAL ZONE ALTERNATIVE WASH

This action allows you the choice to designate the wash program to upper or lower basket.
